

The diagram illustrates the railway network between Studenec and Horní Hádkov. The stations are listed vertically on the left: Studenec, Pivovar, Skovice dvůr, Janovice u Trutavi, Horní Hádkov, and Martinice na H. The horizontal axis represents the distance in kilometers, ranging from 0 to 23. The vertical axis represents the time in minutes, ranging from 0 to 120. The diagram shows several train paths, each represented by a line with numbers indicating the sequence of stations. The paths are color-coded: blue for 'Mn' (Mnichov) and black for 'MOS' (Mnichovská Osada). The diagram includes a legend at the top and a scale bar at the bottom.
